

**Summarized variables in TRTINITIATION (excluding open-text)**

| NAME             | LABEL   |
|------------------|---|
| StudyEvent       | StudyEvent  |
| Headache         | Headache Complaint                                  |
| HeadacheSeverity | Headache Severity                                   |
| PeriPulseEval    | Peripheral Pulses Evaluation                        |
| PeriPulse        | Peripheral Pulses                                   |
| CapRefillEval    | Capillary Refill Evaluation                         |
| CapRefill        | Capillary Refill Time                               |
| PrevDiagnosed    | Previously Diagnosed with Diabetes                  |
| Weight           | Weight  |
| IVBolus          | Initial IV Bolus Received                           |
| IVBolusAmt       | Initial IV Bolus Amount                             |
| AddIVBolus       | Additional IV Bolus Received                        |
| AddIVBolusAmt    | Additional IV Bolus Amount                          |
| IVRate12         | Arm A 12 Hour Fluid Rate                            |
| IVRate24         | Arm A 24 Hour Fluid Rate                            |
| IVRate48         | Arm B 48 Hour Fluid Rate                            |
| ADDIVBOLUSDAY    | Additional IV Bolus Day (relative to randomization) |
| EDEVALDAY        | ED Evaluation Day (relative to randomization)       |
| IVBOLUSDAY       | Initial IV Bolus Day (relative to randomization)    |
| WEIGHTDAY        | Weight Day (relative to randomization)              |

## Variables in TRTINITIATION without summary

| NAME               | LABEL                    |
|--------------------|--------------------------|
| PUDID              | Subject ID               |
| Occurrence         | Occurrence               |
| ItemGroupRepeatKey | ItemGroupRepeatKey       |
| EDEvalTime         | ED Evaluation Time       |
| WeightTime         | Weight Time              |
| IVBolusTime        | Initial IV Bolus Time    |
| AddIVBolusTime     | Additional IV Bolus Time |

## TRTINITIATION Summaries

|   | N    | Percent |
|---|------|---------|
